FOREWORD

Autumn, winter, and spring have gone, and summer is here. Though the school year has ended, memories still linger. Whether you were a sophomore, a junior or senior, this year held exciting experiences for you. "Try to Remember", which this book will help you to accomplish, and you'll find your thoughts wandering down memory lane, the meeting of new friends and old, of the teachers you never understood till the last day, when you looked back to find that you had learned something after all.

There was a song called "Try to Remember", and it went something like this: "Try to remember, and if you remember, then follow...follow...follow..."

Do you remember . . .

*Upper left: The latest in hat fashions!
Upper center: Mrs. Kimzey dons a hat.
Upper right: Buenos dias! Join me for lunch.*

Center: Ma told me that there would be days like this, but I didn't believe her.

*Lower left: Smile! You're on candid camera!
Lower center: Just another flower child.
Lower right: Mrs. Boucher, Mrs. Lee and Mrs. Costa join in the celebration*

Hat Day and Pioneer Day?

*Pocahontas
in a hurry*

*What time's the
next stagecoach?*

There I was, surrounded by Indians...

*There, there, dry your
eyes, little paleface!*

*In a cabin, in a canyon
excavating for a mine..
Dwelt a miner, a 49er..*

You cowboy, me Injun

Have a blast
this summer. Good
luck in all you
do. I'll see you
tonight. Love!

ADMINISTRATION and FACULTY

Nancy,
It's Been real
fun getting to
know you these
past years - Remember
all the times we
& NANCY (Blackie) went
to those parties -
the one at Rick's -
oh' baby all the
things we broke!
And the time we went
to Dynesland - I do
hope to see ya this
summer. (Come down
& see me) Love ya
Bill.

BOARD OF EDUCATION, DOWNEY UNIFIED SCHOOL DISTRICT

Seated: Mrs. Grace Horney, vice president; Mrs. Betty Kilpatrick, president; Dr. Charles J. Unice, clerk

Standing: Mr. Merritt M. Yancey, Supt. Bruce Moore, Dr. James R. Harvey, Mr. Hadley F. Morrison, Mr. H. Lee Trafford

They make the educational policy

Establishing the educational policies of the Downey Unified School District are the members of the Board of Education, who are elected by a vote of the people. This year three new faces joined the Board after the elections in April. They are: Dr. James R. Harvey, Mr. Hadley F. Morrison, and Mr. H. Lee Trafford.

Administering the policies of the Board are the superintendent and his district administrative staff for the District, and in Downey High Principal John Warren and his staff.

In December Supt. Bruce Moore was granted a leave of absence for the remainder of the year and Dr. Arnold Finch, assistant superintendent, was appointed acting superintendent for the remainder of the year.

*MR. JOHN M. WARREN
Principal*

and they administer it

MR. ARDEN K. HIRSCHI
Assistant Principal

MISS HELEN HALL
Vice Principal

Aiding Principal Warren in administering the policies of the Board of Education are Mr. Arden K. Hirschi, assistant principal, and Miss Helen Hall, vice principal.

In addition to his primary responsibility of maintaining student discipline, Mr. Hirschi has supervision of school plant and work orders, and all school functions.

Having general supervision of all extracurricular activities is Mr. Charles Townsend, who also is student government adviser.

Miss Helen Hall, vice principal, has the responsibility of dealing with the personal and behavior problems of Downey High girls. She is the adviser of Girls' League. Also included in her duties are the ordering of textbooks and school supplies, and organizing clerical and student helpers.

MRS. CLETICE BROWN
School Nurse

Three closely connected school services are those of the attendance office, headed by Mr. Dale Killion, the school nurse, Mrs. Cletice Brown, and the guidance office, headed by Mr. Al Hemkin, registrar.

The attendance office has the duty of enforcing the state compulsory education laws, as well as keeping the records by which the school gets state funds.

"Nursie" Brown, in addition to treating the bruises, bumps, cuts and blisters, also checks on tests for polio and tuberculosis.

A most important service is that given by the staff of counselors, headed by Mr. Al Hemkin, registrar. They help students plan their programs, give aid in getting scholarships, provide information on career opportunities, and give many other valuable helps.

MRS. ALBERTA MAXWELL
Cafeteria Manager

The cafeteria staff is often called upon to handle special occasions, such as the "Campus Pals" Breakfast of Girls' League

Three times daily the ladies of the cafeteria staff must be prepared to handle the mad rush of starving students, and there is not much time between the three onslaughts.

Snack time, after second period, and both of the two lunch periods the cafeteria looks like the Santa Ana Freeway during rush hour.

That everyone gets a good, nourishing meal in time to report to class without being tardy is a tribute to the management of the staff headed by Mrs. Alberta Maxwell.

In addition to the regular routine of daily lunches, the staff also is called upon to take care of many special events.

They didn't win, but they didn't quit

In our final year as a member of the Moore League (next year Downey will be in the Coast League), the Vikings went without a league victory, and won only one non-league game.

Opening the season against crosstown rival Warren, the Vikes could not solve the Bears' aerial attack and suffered a 34-0 defeat in the most one-sided score in the 10-year feud. To their everlasting credit, Downey's fighting Vikes never quit, and staged their best attack late in the game. The game was played at Cerritos Stadium.

The following week it looked like Lynwood would repeat the shutout given by the Bears when they jumped to a 19-0 lead at the half, but the Vikings fought back to tie the score 19-19, only to lose by a final 32-19 score.

Downey's only victory of the season came the following week when they defeated Rancho Alamitos, 12-7, on Burbeck Field. After the Vaqueros led, 7-0, at the half, Brad Elrod took a handoff from Len Galasso and ran 74 yards for a TD, and Lucky Reynolds gathered

in a 22-yd. pass from Galasso for the win.

In the final non-league game, the Vikings lost to the La Mirada Matadores, 12-0, in a game played on Burbeck Field. It was a very frustrating night for the Vikings. They led in all the statistics, except for that on the scoreboard. Eight times they seemed on the way to a TD only to have the attack bog down near the goal.

In Moore League play, the Vikings could score only one touchdown in five games. The Lakewood Lancers took an easy victory, 53-0, in the opener on Burbeck Field; Wilson also shut out the Vikes, 46-0, at Wilson; Poly rolled up a 51-0 victory on Burbeck Field; Millikan won, 40-7, in a game which Downey for one quarter seemed upset-bound in their homecoming game on Burbeck Field; and then Jordan won the battle to avoid the league's cellar, 13-0, in a game played at Jordan.

Scott Davis was named the most valuable player; Dave Hansen most valuable lineman.

Junior varsity season

Although the junior varsity did not have a winning season, losing five, winning three and tying one, they did have the best record of the three Viking football teams, and they were the only one to win a Moore League game.

In the season's opener against the Warren Bears, the JayVikes lost, 20-6, scoring their touchdown on a pass from John Honeycutt to Dick Parkhouse. In their second game, against Lynwood, they led until the final quarter, in which the Knights managed a tie, 6-6. Like the varsity, they defeated Rancho Alamitos, 26-0, and won a forfeit from La Mirada, 1-0.

In league play they lost to Lakewood, 28-0; to Wilson, 45-0; to Millikan, 35-0; and to Poly, 39-0. They managed to end the season with a 13-7 victory over Jordan.

Manuel Black was named most valuable player, and Dick Parkhouse most valuable lineman.

Bee season

BeeVike pigskinners also had a losing season, winning only one game of the nine game schedule.

Like the varsity and junior varsity, they opened with a loss to Warren's Bears 33-0. Then came their only victory, a 6-0 defeat of Lynwood's Knights. Denny Dimmick intercepted a pass and ran 35 yards for a touchdown. Against Rancho Alamitos, they lost to the Vaqueros, 32-7. They lost to La Mirada, 19-0, in the last non-leaguer.

Lakewood's Bees blanked the BeeVikes by 18-0 in the Moore League opener, and Wilson also kept them scoreless, 28-0. They scored against Millikan, but lost, 19-6; and Poly won, 27-6. Jordan won the finale, 18-0.

Gene Komrosky scored the TD against the Millikan, and Dave Purvis against Poly.

THE SEASON

Proving to be superior to Moore League opponents once again, Downey's varsity water polo retained the league championship, then went on to take fourth in the CIF playoffs.

They started the season by walloping Whittier, 11-4, then beat Jordan and Millikan to win the Moore League Tournament. In the Inglewood Tourney they beat Rolling Hills, 32-3, and Inglewood, 9-5, but lost to Newport, 8-2.

They swept through league play by beating

Lakewood 6-4, Wilson 5-2, Millikan 10-3, and Poly 12-5, and Jordan 16-7. In non-league play sprinkled in between league contests, they beat Corona 11-5, Oxnard 15-6, Newport 6-4, Corona again 9-5, but lost to Calhi 6-2.

In the CIF playoffs they disposed of Sunny Hills in the first round, 12-9, then Mira Costa 11-7. In the semifinals against Newport the Vikings lost by a narrow 8-7, then to El Segundo for the playoff for third.

The Season

Bee waterpoloists opened their season by taking second in the Anaheim Bee Tournament, losing to the host Colonists, 8-6, in the finals. They took third in the Moore League Tournament at Long Beach City College, beating Lakewood, 4-3, for the third spot.

In other non-league games, the BeeVikes beat Corona del Mar, 8-5; Oxnard, 22-3; Newport Harbor, 8-2; Corona again, 7-2; Calhi, 6-4.

In the regular Moore League schedule, the Bees overwhelmed Lakewood, 18-2; beat Wilson 6-4; edged Millikan, 7-6; and Jordan, 5-4, to make a clean sweep of the opposition and to wrap up another Moore League championship.

John Rees named

John Rees was named most valuable player on the Bee team when the awards banquet was held in the cafeteria on Dec. 7, and was also named captain of the squad.

Cee Season

Like the varsity and Bees, the Cee waterpoloists won the Moore League championship, completely overwhelming their opposition.

Lakewood's Lancers fell the first victim, by the devastating score of 18-2; Wilson's Bruins were not able to penetrate the CeeVike defense, and fell 8-0; Millikan's Rams and Poly's Jackrabbits each got only 2; and fell by scores of 13-2 and 21-2, respectively. In the last game of the league schedule, Jordan fell in an 8-0 whitewash.

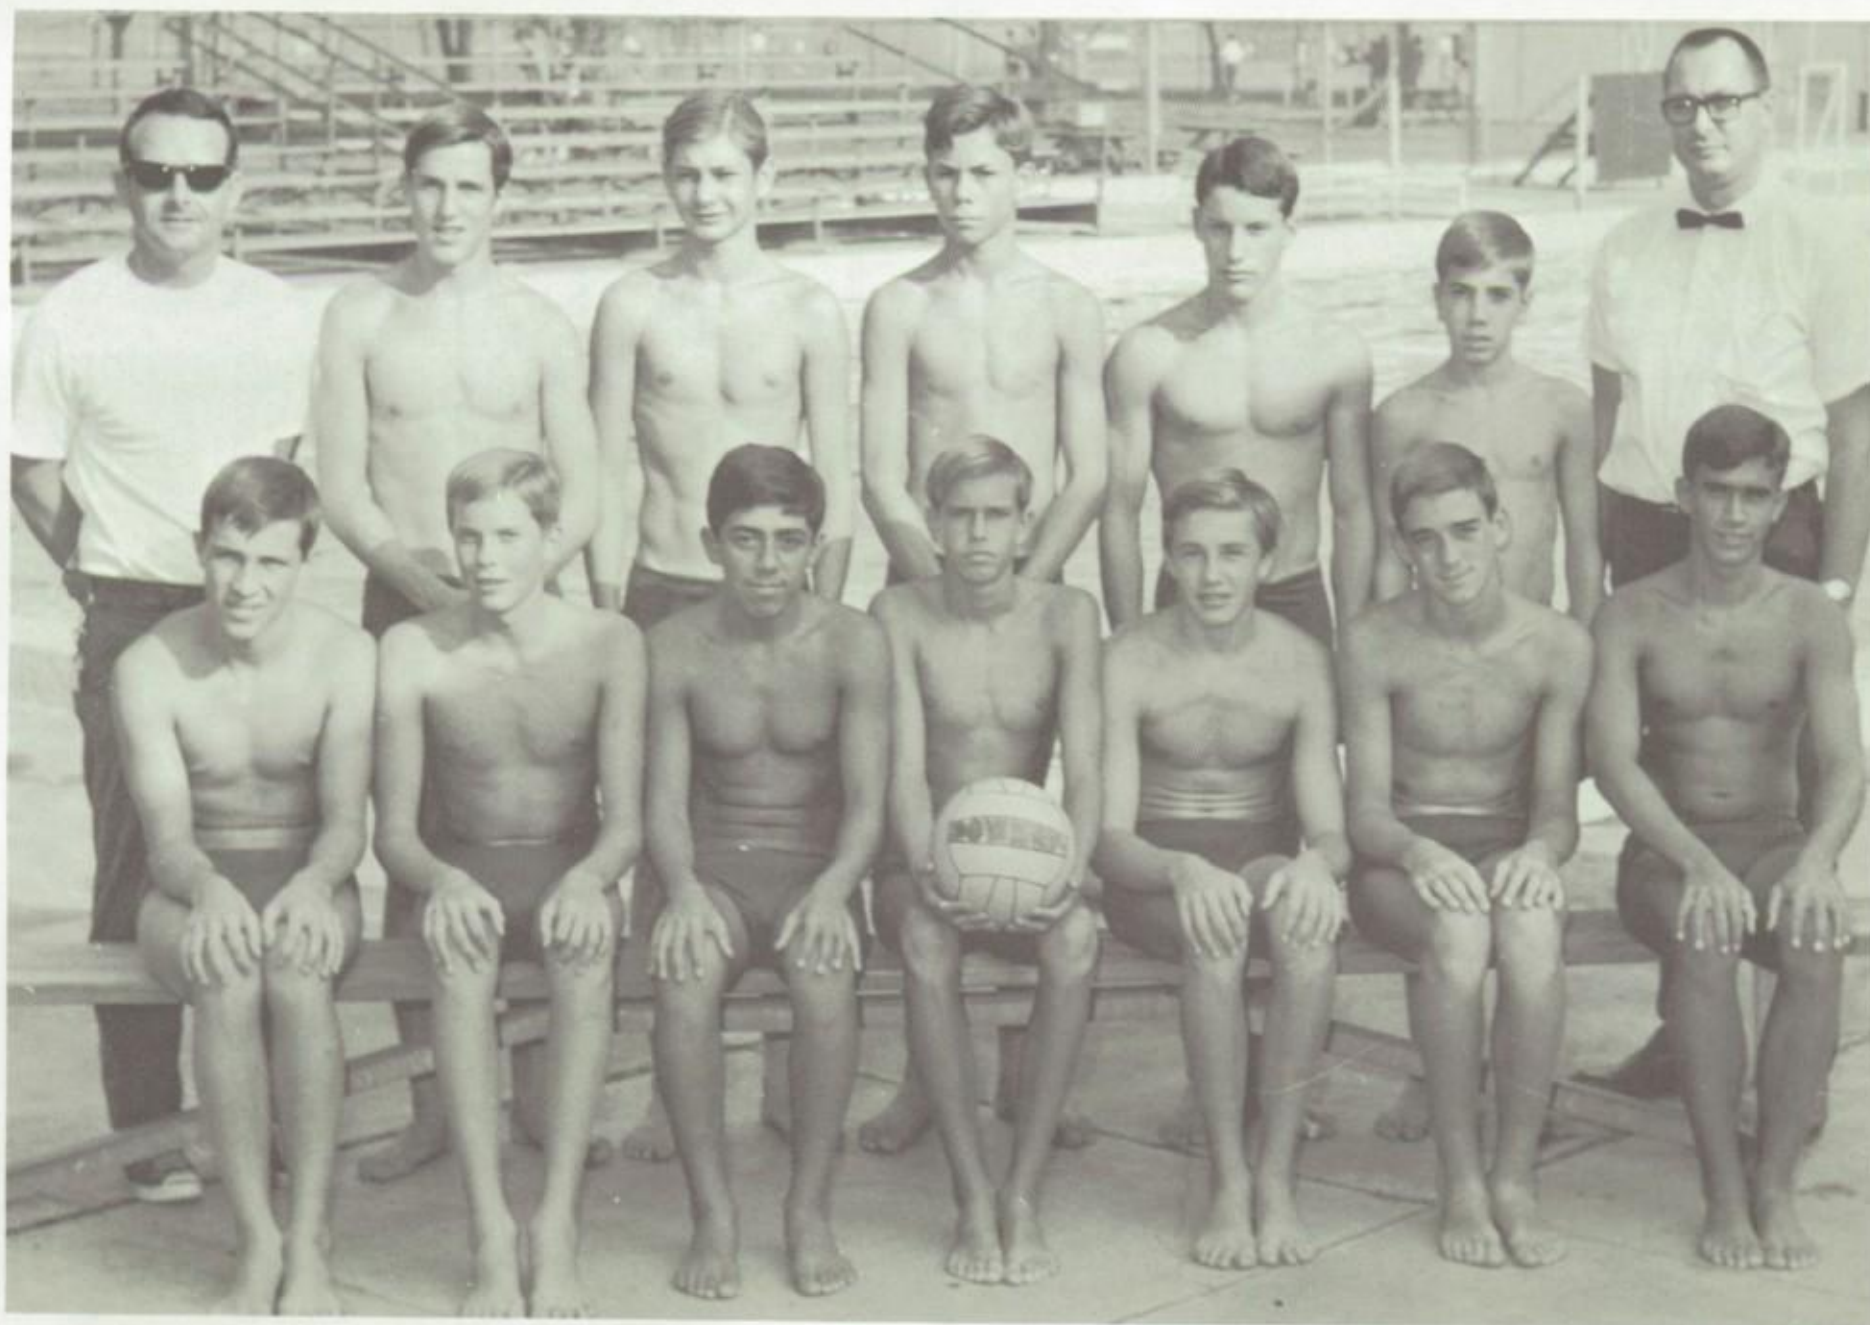

In non-league games, the CeeVikes beat Whittier, 8-4; Corona del Mar, 11-2; Corona del Mar again, 13-2; and Calhi, 15-5.

Rick McShane was named the most valuable player.

The Season

Both varsity and junior varsity cross-country teams had unsuccessful seasons in the win-loss record, neither team winning from a Moore League opponent. The varsity lost a close one to Warren's Bears, 24-31, (low score wins in crosscountry), but the JVs had an even closer loss, 23-24.

The varsity won only two meets, from El Rancho and Paramount, and the JVs won only from Paramount.

Tim Gildea was chosen the varsity's most valuable member.

Showing promise with a 7-8 pre-league record, the varsity basketballers fell to the strong Moore League competition, 1-9, for an overall record of 8-17. They took fourth in the Hawthorne Tournament, and third in the Inglewood Tournament. Though they won only once in league play, they did surprisingly well on defense with the second best record in the league. Marty Paugh was named most valuable player.

Bee basketballers started off on what looked like a fine season by defeating Fullerton, 49-37, in the opening game. They went on to mark up a 5-5 record in pre-league play, but in Moore League competition they did not fare so well, winning only one game.

They had an overall record of 6-13.

CeeVikes sought to star

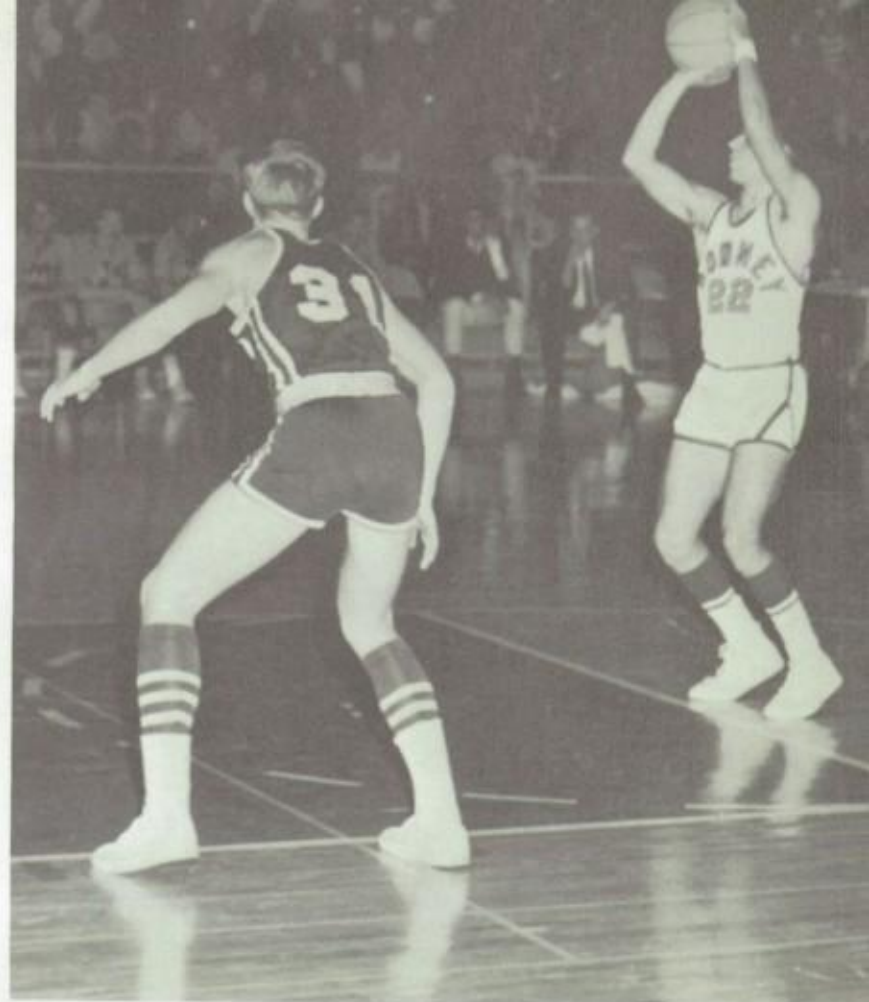

Downey's CeeVike cagers got off to a fine start, winning their first four games, and ending the pre-league schedule with a 4-1 record. When the tough Moore League play started, however, it was a different story. They won only two of nine games, ending with an overall record of 6-10. Officially, though, they won three league games, as the first game with Poly was canceled, and the second counted for two.

Varsity Viking wrestlers got off to what seemed to be a great year by placing second in the annual Warren Bear Tournament, ahead of third place Warren and behind the winning Bellflower squad. Then they competed in the Cerritos Tournament, but did not place well. A losing streak followed, in non-league matches with Lennox, Whittier, and Mayfair, but then came a victory over Pioneer. In league meets, they lost to Compton, Warren, Lynwood, and Dominguez. They won over Centennial, but lost to Paramount to close the league season. They ended the season with two non-league wins over El Rancho and Bell Gardens, giving them a 1-5 league record and an overall mark of 4-8.

The junior varsity wrestlers participated in two tournaments, the JFK and the Dominguez Novice. Not at full strength, they finished low in both. They won over Lennox, then lost to Whittier and Mayfair by close scores. They bombed Pioneer, then opened the league schedule by tying Compton. They lost league meets to Warren, Lynwood and Dominguez, lost to Lynwood by one point, won over Centennial, but

THE SEASON

Although the varsity track team did not boast of any record-breaking star, it had a well-balanced group of performers who made a very creditable season's showing. Highlight of the season was the dual meet win over Warren, 68-50. The trackmen also won dual meets from Lynwood and La Canada, and a tri-meet with Orange and Bellflower, but Below:

Lady Luck was no lady

Steve Roberts picks off a Warren runner

After two rounds of Moore League play, the varsity baseball team was having a bit of trouble getting into the win column. As these pages of the Volsung go to press, the Vikes have managed only 2 victories in 11 games, and in addition lost to Warren in a game played during the spring vacation.

In the league opener they lost to Lakewood 3-0, to Wilson 6-2, to Millikan 7-3, to Poly 2-0, to Jordan 2-1, Lakewood again 7-0, and Millikan again 7-0. They won the first victory over Wilson, 3-1, on April 2, and their second over Jordan on April 23, when Lucky Reynolds stole home for a close 5-4 win.

The junior varsity was also having its troubles, losing seven of their first ten league games.

They opened with a 6-1 victory over an easy Lakewood victim, then dropped four in a row: to Wilson 4-0, to Millikan 17-6, to Poly 7-2, and Jordan 2-0.

Then they started the second round, and again beat Lakewood 1-0 in a two-hit effort by Sam Lagle. They lost to Wilson, 3-0, to Millikan 5-2, then came back to beat Poly 4-3. They lost the next to the Jordan Panthers, 5-1.

As these pages go to press, they have one more round against each team in the Moore League.

GOLF SEASON

Composed mostly of juniors and sophomores, the varsity golf team was marking up a fairly successful season as they entered the final round of the Moore League season. They won their three pre-league matches by overwhelming margins (Kennedy, 33-3; Fountain Valley, 35-1; Kennedy again, 34-2) but they lost the Moore League opener to Wilson, 13-23; then to Millikan, 12-24; before beating Poly, 26-10 and Jordan, 25-11. Warren, which is in Moore League in golf, won, 11-25. The Vikes again dropped to Millikan, 15-21; and to Lakewood, 14-22; but then reversed and beat Lakewood, 24-12. Remaining on the schedule are Wilson Poly, Jordan and Warren as we go to press.

Junior varsity golfers were not so lucky. They had one only one of eight league meets.

TENNIS SEASON

Both varsity and junior varsity tennismen were having difficulty breaking into the win column as they entered in the final round of Moore League play.

Each had won only one meet, a non-league encounter with Lynwood, and had lost all the league meets.

In the case of the varsity, however, some of the losses were by only one point, or less than two points.

They dropped to Lakewood in the opener by only one point, lost later to Poly by the same margin, and again to Poly by one and a half points.

The junior varsity, however, failed to be even close, and in one match, against Jordan, failed to rack up a single point.

Thank Heaven for little girls

Louise Ozment instructs her cabinet on the ritual of the installation

Under the leadership of President Louise Ozment, first semester Girls League started the year with an orientation tea before the opening of school. It was attended by from 350 to 400 girls. The Campus Pals program, which makes girls new to Downey High feel welcome, was also begun.

Another program, "A Date With Dad," with a Roaring 20's theme, was attended by more than 200.

The final event to which Louise and her cabinet gave attention was the installation of the newly elected second semester cabinet. It was held on Feb. 7, with the candle lighting and transfer of president's pin.

They grow up in a most delightful way

Biggest event of the second semester for Girls League is the girl-ask-boy dance known traditionally as the "Sadie Hawkins."

Second semester President Cathy Sillavo and her cabinet chose the theme of "Story-book Land," and worked for weeks in planning the decorations to make it one of the most memorable events of the year. Pictures of the dance are shown on pages 200-201.

Another event of special interest to the senior girls was their "Guest Night", in May, when they could invite their parents to see a program filled with nostalgic memories of the past three years at Downey High.

At the end of the first semester, forty seniors had qualified for life membership in California Scholarship Federation, the one school organization where scholastic achievement is the most important requirement to be a member. A point scale based upon grades in academic subjects, with an A counting three points, a B one, is the criterion for membership, with 10 points required. To become eligible for life membership, or sealbearer, a student must earn membership for four semesters, one of which must be as a senior. Three semesters qualify for a gold certificate; two for silver, and one for bronze.

They made the grade

During the week of November 13-17, CSF sponsored a Book Fair, in order to stimulate interest in reading. Paperback books of every conceivable topic and literary form were spread out upon tables in the library, and classes and teachers were invited to come and look at the offered books.

CSF made a profit of \$229 on sales of books, with the money going toward scholarships for worthy seniors.

Organized early in 1966, Interact has been one of the more active clubs on campus. Under the sponsorship of Mr. Don Wilson and Mr. Joe Risser this year, Interact has beautified the campus by planting flowers, painting the benches in the quad and taking care of the Big D, Downey's symbol.

Interact has worked with its adult sponsor, the Downey Rotary Club, with many civic undertakings, such as the Children's Theater, Little League, and many others.

Oldest of all service clubs on campus, Les Torchères was first organized in 1934 by Miss Muriel Powell, and since then has been a source of unending service. This year they painted Downey Vikings on the football stands (see picture at left), painted a Viking head on the gym entrance, beautified the campus with grass, ivy, and flowers, put shrubs in Senior Square. They collected money for the March of Dimes and the Heart Fund, sent Christmas packages to Vietnam, and collected food for needy families. They had a busy and satisfying year.

They found the key to success

Under the leadership of Marty Paugh and Randy Mason, and the sponsorship of Mr. Jim Krulic, the Key Club kept busy all year sponsoring projects rendering service to the school. Blue-jacketed Key Clubbers acted as hosts and guides at many a school function, such as Back-to-School Night, as helping hands to Vikettes and Pep Club before a sports contest. They sponsored a "Clean Campus" week; they painted the baseball bleachers; they got the maintenance department to cut the words "DOWNEY VIKINGS" in the turf behind the football goal posts; they received a commendation for community service from the City of Downey.

They lived up to their motto

Paint can be sticky if you step in it

"Service-Strength-Spirit" is the motto of Normaneers, a service club for girls, and every member of the group strives to make the motto a reality.

Like the other service clubs, Normaneers have been undertaking many services to brighten the appearance of the school, such as painting the trash cans and voting booths. They serve at many functions such as athletic banquets; their efforts go beyond the school into the community, such as collecting for charities and aiding the less fortunate.

Serving Downey High since 1953, Sword & Shield is the oldest service club for boys on the campus.

Sponsored this year by Mr. Joseph Soldano, the club this year, as usual, co-sponsored (with Les Torchères) the Sweethearts Ball, one of the most popular of the all-school dances. They also gave a coat of paint to the football stands (picture at the right) as one of their service projects. They sponsored the annual beard-growing contest, which gives boys a chance to express their virility.

Their goal a better world

American Field Service is an international organization whose purpose is to prepare for the stay of foreign exchange students in American schools.

It also arranges for American students to go to foreign countries in a cultural exchange aimed at bringing about international understanding and cooperation.

Downey High's foreign exchange student for this school year is Haluk Erenguc, from Turkey. Wendy Wintz, DSHS junior, has been selected as candidate to live and study for ten weeks as a foreign exchange student this summer. She will live with a family in any country of Europe, Asia, Africa or Latin America.

Vocal music groups at DSHS, under the direction of Mrs. Jane Walta, include the a cappella choir and girls glee club, the Choralettes, which are regular classroom groups, and two volunteers, the Viking Showmen and Viking Madrigal Singers. These two meet before school on their own time, for practice. All four groups gave many performances, at school programs and community meetings, with the big event being the district festival, at Warren High on April 17.

mathematics, astronomy, or zoology. Until recently the club members took field trips to the tide pools near San Pedro.

CAMPUS LIFE CLUB

Campus Life Club is a division of the Suburban Youth for Christ, with the purpose of proving, through youth fellowship, that religion is not "out of it."

General, or Impact, meetings are held on the activity schedule, but Insight meetings, held by the more active members, are held during lunch or occasionally at the home of a member.

Impact meetings sometimes have more than one thousand in attendance. Programs often include folk singing and other types of entertainment.

Campus Life is non-denominational.

Providing an energy outlet for students interested in the dramatic arts are two of Downey High's clubs for special interests.

Cardinal Masque is the working group of actors, staging technicians, makeup crews, and stagehands. This year they produced a "Night of One Act Plays," and the whimsical "Harvey" as the spring play. Scheduled to be produced are "Viking Varieties" and "A Night of Readings," and a senior play.

National Thespians Troupe 1834 is only for those who have done outstanding work, and is an honor society for drama students.

Future Nurses is another club that gives opportunity to students with vocational interests. Field trips to hospitals and other medical establishments are taken by the members. Membership is open to all grade levels.

Food, flowers, films and funds were featured at this year's FHA programs. Speakers included a representative from a bakery who offered recipes, demonstrations and delicious donuts, and a speaker who discussed training of airline stewardesses. One of the meetings was devoted to the art of floral arrangement--flowers won't be wasted this summer.

But all was not frolic. Through candy sales, members raised \$200 for use as scholarships to majors in home economics.

RADIO CLUB

Radio Club, as the name implies, is made up of students interested in amateur radio. Emphasis is placed on obtaining an amateur license, and then on obtaining greater proficiency in code and theory. The school allowed the club the use of a small room in S Building, and two antennas were installed.

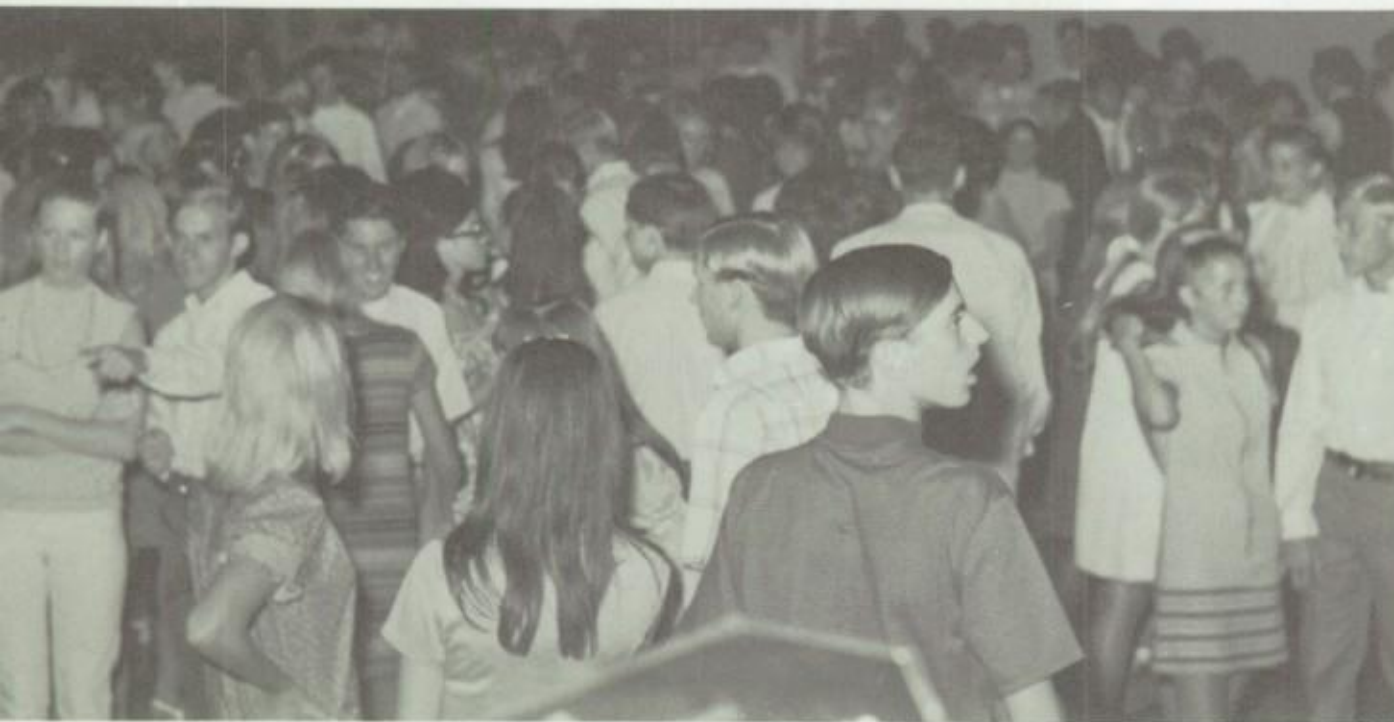

This enabled the members to bring their own equipment for club use. The school station's call sign is WB 6 VHU. The members participated in a field day, a transmitter hunt, and several other contests, and they made many contacts.

For excitement, suspense, and drama, few events of the school year can rival that of the homecoming game and the announcement of the identity of the Homecoming Queen.

Elected by vote of the senior class, the queen is not revealed until the halftime of the homecoming game, and the tension mounts.

Members of the royalty parade across the

field and step on the platform; the envelop containing the name of the queen is handed to ASB President Denny Stovall by Diane McCrea, president of Quill & Scroll, which conducted the election. Denny has trouble with the envelop, which is tightly sealed. The crowd is hushed; Denny announces: "The 1967 Homecoming Queen is..Mary Gehling!"

Instead of presenting the usual fall play this year, Cardinal Masque, drama club, sponsored a "Night of One-Act Plays." Four plays were offered, three comedies and one serious drama. The three comedies were: "Sunstroke", the story of an imaginative girl who plans a rain party; "The One That Got Away", which told the conflict between two married couples; and "So Wonderful in White", about the problems of becoming a nurse.

The most serious of the four was "The Old Lady Shows Her Medals", the story of an elderly English charlady who pretends to have a son in the army, and he shows up to be real.

The plays were presented on Dec. 7 and 8.

Cupid's Carousel covered a cold, cold heart

They called it the Sweethearts' Ball, and these pictures may explain why. Sponsored jointly by Les Torchères and Sword & Shield, the dance was held in the cafeteria Feb. 24.

The theme was "Cupid's Carousel," and the decorations included a crepe paper carousel, housing a huge heart made of ice.

Diane O'Keefe was named "Sweetheart of the Ball" by vote of Sword & Shield members, and was duly proclaimed such by Mark Knorrington, S & S president.

"Harvey" was a Pooka

Elwood Dowd and friend

He was a pleasant, mild-mannered man, and he had a friend named Harvey. The trouble was that Harvey was an invisible white rabbit, six feet tall, and when Elwood introduced him to people, they somehow got a queer look on their faces. So his sister Veta Louise decided the best solution was to put Elwood away. But the doctor somehow got the idea that Veta was the wacky one, and that created complications.

The whimsical comedy by Mary Chase was Cardinal Masque's annual spring play, presented Feb. 29, March 1 and March 8. Suzanne Brunson was assistant director, Steve Apmadoc stage manager.

"What is my son (or daughter) learning while he (or she) is attending Downey High?"

Any parent who has asked himself that question had an opportunity to find out on the evening of April 22, when the school held annual Open House in observance of Public Schools Week.

All teachers were in their classrooms, with a demonstration or display of work of the students. These included, in addition to those shown here, a rehearsal of a play by a drama class, a display of Haiku verse and other literary efforts by students in English classes, a new books display in the library, chemistry laboratory experiments, and other scientific displays, an explanation of the driver training program, an art show, displays of publications, social studies materials, and all of the curriculum's many facets. Refreshments were served by the PTA.

Nancy (Sue)

Can you believe it? The end! It's really strange that we've become such good buddies. I remember you from junior high when we were both little strange goody goodies! Kind of like the trust? We've come a long ways together & well go a lot farther. Right? You'd better believe it hickies woman. The years to come I know well become much closer friends & have lots of fun times together. I'll never forget the past year. Senior Year Rules. Especially senior sleep. I hope I say tomorrow night cuz it will make me that much happier. I am very deep down I want to wish you the best of everything in everything you do. Keep cool & maintain. Remember that top phaser. And aint it weird about your cousin Pat & Blanton Baby? I'm sorry I flip out all the time but you should know me by now.

See ya at my champagne party tomorrow night.

Love to you Always
